

Conference Call - April 11, 2016, 3pm

In attendance: Kimble Richardson, Steve Davison, Mike Beresford, Mike Johnson, Katie Keesling, Lynda Carlino, Joan Reed, Steve Orusa.

#	Target Date	Activity	PM	Owner	Status	Risks/Issues in Red	Status Comments
Education/Training 1: Develop an education program for Fishers Police Department and Fishers Fire Department.	January 2017	Fire department completed April 2016. Police department CIT training 50% goal by 2017. SRO Youth CIT Training 50% goal by 2017.	Kimble Richardson	Davison, Richardson, Ellison		Limited CIT Training opportunities. Researching Boone County CIT class openings. Researching additional youth CIT availability.	FD: Developed quarterly trainings for all members: immediate detention, excited delirium, traumatic brain injury, dementia/Alzheimer's. Davison and EDOs completed CIT cert with PD. PD: In process of having all officers CIT trained. PD mental health re-certification implemented. Additional PD/FD training for alcohol/drug screening (May 5). CIT for Youth - consider fire EDOs. Held at Warren Central HS.
Education/Training 2: Quarterly audit/review of mental health runs to see what can be learned.	January 2017	Program currently being developed for July 2016 completion.	Steve Davison	Davison, Richardson, Ellison			Putting a comparison program for mental health incidents in field compared to what we're finding in the hospital. Retrospective review of mental health incidents. Working on design now.
Education/Training 3: Enhance the City's partnerships with behavioral health providers.	January 2017	Ongoing meetings with stakeholders.	Mayor Fadness	Fadness, Orusa		Managing the number of increasing stakeholders. Keeping the growing numbers engaged.	Many residents and professionals want to help. Creating ways to implement them into the process.
Education/Training 4: Develop systemic comprehensive plan for schools.	January 2017	Complete guidance counselor suicide prevention training. Increase Aspire mental health positions. Staff training in QPR suicide prevention. Agreement with Chaucie's Place "Lifelines" suicide prevention program. Complete administrative audit in spring 2015-2016. Support groups for mental health. High school mental health convocation. Tentative board goal to provide wrap-around services. Leverage mental health and suicide prevention resources.	Mike Beresford	Beresford		Chaucie's Place grant - change staff often, so it keeps getting dropped. Will use it for suicide prevention curriculum.	In good shape; completed all guidance counselors training (suicide prevention). Will complete grade 5-12 teachers suicide prevention training this year; K-4 next year. Goal to have all done by June 2017 for rest of staff. Have a support group for mental health going, started in spring. Board goal to provide wrap-around service is ongoing (includes mental health).
Education/Training 5: Develop a youth training plan for public safety departments.	January 2017	Researching "Teenage Brain" education for public safety. Creating a junior high mental health module.	Mike Johnson	School Resource Officers/FPD, Mehling, Beresford		Creating mental health education for other grades.	Need clarification on recommendation - unclear. DARE curriculum pretty set. Jr. high is follow-up to 5th grade. Don't want to touch or it won't be DARE. Junior high mental health program to be created - name TBD.
Education/Training 6: Develop community-wide communications campaign.	January 2017	Did not participate.	Autumn Gasior	Gasior			Did not participate.
Education/Training 7: Develop an awareness training program for coaches.	January 2017	Presented "Mental Fitness" fact sheet for coaches and parents. Continue to provide awareness education on website and in e-newsletter. Create individual training program for 2017.	Katie Keesling/Lynda Carlino	Keesling, Carlino, Orusa		Time commitment of coaches and parents to training.	Met to talk about coaches training, where they could go with it. With guidance from Lynda, gradually introduce. Katie created 1-page flyer that went to parents at coaches meeting. Lynda's audience is a little different. #1 goal is to educate parents. The more info they have the better. Educate then train. SPORTS has a lot of volunteers. Training can be overwhelming. Want to convey that there are resources. Provide info through website, newsletter.
Resources/Access 1: Remodel Community paramedicine program to include protocol for mental health runs.	January 2017	Creating the following: adult discharge follow-up, school discharge follow-up, and improved 911 crisis response for September 2016.	Steve Davison	Davison, Richardson, Ellison, Gebhart			Taken off to 3 separate programs. Discharge follow-up - home visits from Community or Aspire. School discharge program - meeting with Mike and Joan and Dr. Walker. 911 Response - Crisis response, day to day behavioral response. Looking at the possibility of tele-consultations with crisis staff. Needs infrastructure/IT, but it's moving.
Recourses/Access 2: Develop Intensive Care Coordination program for youth.	January 2017	Hiring 2-3 intensive care coordinators. Implementing Columbia Suicide Assessment.	Joan Reed/Mike Beresford	Richardson, Reed, Beresford, Ellison, Seward		Depending on referendum May 3 to see if finding becomes available to do more.	HSE partnering with Community North and Aspire.

Hamilton County - JDAI Juvenile Detention Alternative Initiative. Goal is to look at alternatives for kids in lieu of being detained. Not sure what direction it will take.
